

The CD cover art for Darkwave's 'Evanescent Horizons' depicts a blue, life-sized statue of a nude female figure standing in a dark, dilapidated room. The walls are peeling and crumbling, and a window on the right shows some greenery outside. The title 'Darkwave' is written in a large, white, gothic-style font at the top, and the album title 'EVANESCENT HORIZONS' is in a smaller, white, sans-serif font below it. A large white circle is positioned in the center of the CD, partially obscuring the artwork and the track list.
